

HEALTH SAFETY & ENVIRONMENT POLICY

We at “SNS” believe in providing a safe and healthy working environment to all our employees and workers, trying best to eliminate the risk involved in daily activities. We put the personal health and safety of our employees first.

We at “SNS”:-

- Comply with all central, state and local statutory provisions pertaining to HSE.
- Maintain an accident-free and productive workplace by actively promoting safety and health measures.
- Use techniques and methods such as Safety Audits and risk assessment for periodical assessments of the status of HSE.
- Provide such information, instruction, supervision and training to ensure the Health and Safety at work of all employees
- Create Awareness on HSE training and proper communication of HSE policy to people working on behalf / with “SNS”
 - ✓ All PPEs issued must always be used by employees, workers and Sub-contractors.
 - ✓ Our people are our asset - hence their safety is our topmost priority.
 - ✓ Each employee must be aware of all safety rules, procedures and policies and violations observed and remedied.

“SNS” is fully committed to maintain a safe, healthy and conducive working environment, for the safety of our employees, Workers, subcontractors, equipment, facilities or even the community at large.
